Peppermint Cream Cheese Sugar Cookies

Cookie:
3 cups all-purpose flour
2 teaspoons baking powder
1 c sugar
2 sticks (salted) butter, cold & cut into chunks
1 egg
3/4 tsp pure vanilla extract

Instructions:

Preheat oven to 350.

Combine the flour and baking powder, set aside. Cream the sugar and butter. Add the egg and extracts and mix. Gradually add the flour mixture and beat just until combined, scraping down the bowl, especially the bottom.

The dough will be crumbly, so knead it together with your hands as you scoop it out of the bowl for rolling.

Roll on a floured surface to about 1/4” to 3/8” thick, and cut into shapes. Place on parchment lined baking sheets (I recommend freezing the cut out shapes on the baking sheet for 5 minutes before baking) and bake for 10-12 minutes. Let sit a few minutes on the sheet, then transfer to a cooling rack.

Peppermint Cream Cheese Frosting:
4 oz. cream cheese, softened
4 tbsp. unsalted butter
2 ½ c powdered sugar
½ tsp. peppermint extract
peppermint bits (buy already crushed or crush own peppermints)

Combine cream cheese and butter until well combined and fluffy. Add extract then gradually add powdered sugar to mixture. Mix all until well combined.
Frost one cookie at a time with cream cheese frosting and then sprinkle with peppermint bits. Be sure to sprinkle peppermint bits while frosting is still wet.

Sugar Almond Cookies

Note: These cookies don’t spread out like a traditional sugar cookie. The finished shape is more of a mound than a flat cookie. If you want a traditional sugar cookie shape, you can flatten the dough balls to desired shape with a glass covered in powdered or granulated sugar. Yield: approximately 36 cookies.

1 cup shortening
1/2 cup butter
1 1/2 cups white sugar
2 eggs
2 teaspoons almond extract
1 teaspoon vanilla extract
3 1/2 cups regular flour
2 teaspoons baking powder
1/2 teaspoon salt
Granulated and powdered sugar for finish, no more than 1/4 cup of each.

1) Cream the butter, shortening, and sugar (at least 3 minutes).
2) Stir in eggs, almond extract, and vanilla.
3) In a different medium bowl, combine the flour, baking powder, and salt - stir thoroughly.
4) Stir dry mixture, in thirds, into the creamed butter/shortening, until dough pulls together.
5) Preferably using small cookie scoop to portion, gently roll a small ball (a little bigger than a ping-pong ball).
6) Drop ball into powdered sugar. Roll it around.
7) Place on cookie sheet (ungreased) at least an inch apart. Bake in 350 degree F oven for 10-12 minutes, until bottom is very slightly browned.
8) Remove from oven. Rest for 5 minutes.
9) Transfer cookies to cool on wire rack.
10) Sprinkle granulated sugar over cookies to finish.

**Browned Butter Maple Cookies**  
1/2 cup unsalted butter  
1 1/2 cups flour  
1 tsp cornstarch  
1/4 tsp salt  
1/4 cup sugar  
1/4 cup light brown sugar  
1 large egg yolk  
1/4 cup maple syrup  
Royal icing  

Cook butter in a heavy saucepan over medium heat, stirring constantly until it foams, turns clear, and then turns a deep brown, about 6 minutes. Pour browned butter into a glass measuring cup and chill in the freezer until solid, about 45 minutes to an hour. Remove from freezer to soften slightly.

Whisk together flour, cornstarch, and salt in a medium bowl. Beat solidified brown butter and sugars in a large mixer bowl at medium speed until fluffy. Beat in egg yolk and maple syrup until combined. Reduce speed to low and gradually add flour mixture; beat just until incorporated. Wrap dough in plastic and flatten slightly to form a disc. Chill in the refrigerator at least 2 hours (or up to 2 days).

Preheat oven to 325°F and line two baking sheets with parchment paper. Roll dough out to 1/4-inch thickness on a lightly floured board and use a 3-inch maple leaf cutter to cut out cookies; place 1 inch apart on baking sheets. Chill in the freezer for 15 minutes. Bake for 13 minutes, until edges are firm and lightly golden. Cool for 5 minutes on baking sheets, then transfer to a wire rack to cool completely. Repeat with remaining dough, re-rolling scraps as needed.

**Royal icing**  
3 tablespoons Meringue Powder  
4 cups (about 1 lb.) confectioners’ sugar  
5 tablespoons warm water  

Beat all ingredients until icing forms peaks (7-10 minutes at low speed with a heavy-duty mixer, 10-12 minutes at high speed with a hand-held mixer). For stiffer icing, use 1 tablespoon less water.

Decorate using royal icing or other candies. Store leftover cookies in an airtight container in the refrigerator; serve at room temperature.
Ingredients:
• 1 cup unsalted butter, softened to room temperature
• 1 cup granulated sugar
• 3/4 cup packed light brown sugar
• 2 large eggs, room temperature
• 1 cup creamy peanut butter (can you crunchy—but we prefer creamy)
• 3 cups all-purpose flour
• 1 teaspoon baking soda
• 1 teaspoon baking powder
• 1/2 teaspoon salt
• 1/3 cup granulated sugar, for rolling

Directions:
1. Cream the softened butter and sugars together on medium speed until smooth. Add the eggs and mix on high until combined, about 1 minute. Scrape down the sides and bottom of the bowl as needed. Add the peanut butter and mix on high until combined.
2. In a separate bowl, toss the flour, baking soda, baking powder, and salt together. Add to the wet ingredients and mix on low until combined. Dough will be thick, yet very sticky. Cover dough tightly and chill for at least 3 hours (and up to 2 days) in the refrigerator.
3. Preheat oven to 350F degrees. Line two large baking sheets with parchment paper (or silicone mat)
4. Roll balls of dough (about a tablespoon) and coat with granulated sugar. Place 2 inches apart on the baking sheets. Bake for 11 minutes or until very lightly browned on the sides. Remove from the oven. (The centers will look very soft and undone. The cookies will set on the baking sheet while cooling)
5. While cookies are baking, unwrap rolo's (for nose) and break mini pretzels in half (for antlers)
6. While cookies are cooling, press a rolo into the middle of each cookie. Take half of a pretzel and press into either side of the cookie Lastly, add a red M&M to the middle of the rolo.
7. Let cookies cool on baking sheet for 5 minutes before transferring to a wire rack to cool completely.
8. Makes about 5 dozen.

Cookies stay fresh covered at room temperature for up to 1 week.
Winter Mint Crinkles

Ingredients:
2 cups all-purpose flour
1 cup unsweetened baking cocoa
2 teaspoons baking powder
½ teaspoon salt
2 cups granulated sugar
½ cup vegetable oil
4 large eggs
1 teaspoon vanilla
1 teaspoon peppermint extract
½ cup powdered sugar
4oz (approx.) Guittard Smooth 'n Melty Christmas Petite Mints

Decorations (optional); I used nonpareils and Wilton Silver Stars Edible Accents™

Directions:
1. In medium bowl, mix flour, baking cocoa, baking powder and salt; set aside.
2. In large bowl, beat granulated sugar, oil and eggs with whisk until well mixed. Beat in vanilla and peppermint extract.
3. Stir dry ingredients into wet ingredients until just combined. Cover bowl with plastic wrap, and refrigerate at least 2 hours.
4. Heat oven to 350°F. Line cookie sheets with cooking parchment paper. Place powdered sugar in small bowl. Shape dough into slightly larger than tablespoon-size balls; roll in powdered sugar. Place on cookie sheets about 1 1/2 inches apart, and use your finger to slightly indent the centers.
5. Bake 9-10 minutes, until cookies crackle and dough is just starting to look less raw on top. When cookies are done, immediately place 3-5 Petite Mints in the center of each cookie, pressing down lightly to keep them from rolling off.
6. Wait 1-2 minutes, until the Petite Mints are warm and take on a “wet” look. Use the tip of a butter knife to gently swirl the mints so they combine into a melted pool in the center of each cookie.
7. Decorate as desired while the mint topping is still warm.
8. Cool on cookie sheet 2 minutes. Remove to cooling rack; cool completely until the mint topping is set and store in a covered container.

Sugar Cookie Cutouts with Royal Icing

Ingredients
4 cups sifted all-purpose flour, plus more for dusting
1 teaspoon baking powder
1/2 teaspoon salt
1 cup (2 sticks) unsalted butter, room temperature
2 cups sugar
2 large eggs
2 teaspoons pure vanilla extract

Directions
1. Sift flour, baking powder, and salt into a bowl.
2. Put butter and sugar in the bowl of an electric mixer fitted with the paddle attachment. Mix on medium speed until pale and fluffy. Mix in eggs and vanilla. Reduce speed to low. Gradually mix in flour mixture. Divide dough in half; flatten each half into a disk. Wrap each in plastic. Refrigerate until firm, at least 1 hour or overnight.
3. Preheat oven to 325°F. Let one disk of dough stand at room temperature just until soft enough to roll, about 10 minutes. Roll out dough on a lightly floured surface to just under 1/4 inch thick, adding more flour as needed to keep dough from sticking. Cut out cookies with cookie cutters, transferring shapes to lined (with parchment paper or silicone baking mat) baking sheets. Roll out the scrap, and repeat. Repeat with remaining disk of dough.
4. Bake, switching positions of sheets and rotating halfway through, until edges turn golden, 8 to 12 minutes (depending on size of cookies). Let cool before decorating. To decorate, flood tops of cookies with icing. While wet, sprinkle sanding sugar if desired. After icing cookies, let them set before storing. Cookies can be stored in an airtight container at room temperature up to 1 week.
Makes about 2-dozen 4-inch cookies.

Ingredients
Royal Icing
1 pound (3 3/4 cup) confectioners sugar vv 5 tablespoons meringue powder
1/2 cup water

Directions
1. Combine confectioners sugar and meringue powder in the bowl of an electric mixer fitted with the paddle attachment.
2. Mix on low speed until smooth, about 7 minutes. Gradually add in water while mixing. If icing is too thick, add more water; if too thin, beat icing 2 to 3 minutes more or add more confectioners sugar a tablespoon at a time.

3. Use icing immediately, or store in an airtight container up to 2 days (icing hardens quickly when exposed to air). Beat well with a rubber spatula before using.

Makes 2 1/2 cups.
Lemon White Chocolate Delights

Ingredients
6 cups flour
3 tsp. baking powder
2 cups unsalted butter
2 cups sugar
2 eggs
2 tsp. vanilla extract or desired flavoring
1 tsp. salt
Juice from half lemon
1 TBS. lemon zest (if desired)

Instructions
Cream butter and sugar until light and fluffy. Add eggs, vanilla and lemon juice. Mix well.
Mix dry ingredients and add a little at a time to butter mixture. Mix until flour is completely incorporated and the dough comes together.

Chill for 1 to 2 hours (or see Hint below)

Roll into desired thickness and cut into desired shapes.
Bake on ungreased baking sheet at 350 degrees for 8 to 10 minutes or until just beginning to turn brown around the edges. This recipe can make up to 5-dozen 3" cookies. When thoroughly cooled you can dip or brush with white chocolate and add other decorations as desired.

HINT: Rolling Out Dough Without the Mess - Rather than wait for your dough to chill, take the freshly made dough and place a glob between two sheets of parchment paper. Roll it out to the desired thickness then place the dough and paper on a cookie sheet and pop it into the refrigerator. Continue rolling out your dough between sheets of paper until you have used it all. By the time you are finished, the first batch will be completely chilled and ready to cut. Reroll leftover dough and repeat the process!

White Chocolate Lemon Cookies

Ingredients:
10 ounces high-quality white chocolate, chopped
2 tablespoons unsalted butter
6 tablespoons heavy cream
1 teaspoon corn syrup
1 drop lemon extract or pure lemon oil
the zest of half a lemon
white sanding sugar for coating

Directions:
Add white chocolate and butter to a bowl, then microwave on medium power for 30 seconds. Stir a few times, then microwave for 20 more seconds.
Add heavy cream and corn syrup to a small saucepan and heat over medium heat just until bubbles appear on the edges. This will happen quickly! Immediately pour the cream over the melted chocolate and butter, stirring well for a few minutes until combined. Stir in the drop of lemon oil and lemon zest, mixing to combine. Place in the fridge (or even the freezer) for 1-2 hours. Remove from fridge and scoop out teaspoon-size balls of chocolate with a melon scooper or small spoon. Roll them into balls and dip in the sanding sugar, coating completely. These hold up great at room temperature but I tend to store them in the fridge.
